0 - 59%	=	U

Course Materials

Hutchinson, T. (2018). *English for life: pre-intermediate*. Oxford: Oxford University Press.

Details of the course activities

Expressing gratitude to medical professionals and healthcare workers during the coronavirus (COVID-19) pandemic

Activity: The students write a message in English on a piece of A4 paper to thank medical professionals and healthcare workers for dealing with the coronavirus (COVID-19) pandemic

Online practice

Activity: The students practice English outside the classroom with online exercises. The online practice is composed of 50 questions.

Correct answer(s)	Online practice score(s)
1-12	3%
13-24	6%
25-50	10%

The online practice link will be given to the students on **1-21 February 2021**. The students have to finish all online exercises by the given time.

A presentation of an English website

Activity: The students introduce an English website or application for learning English or practicing their English skills outside the classroom by making a two- to three-minute video clip. The video clip presents how to use the website or the application and what the students gain from using it.
